

FTC Practice Field available for International Teams!

Cafe Bot's FTC International Exchange is very happy to be able to offer a practice field for international teams who are arriving early for the Championships!

We will have a full-size practice field set up downtown at the St. Louis Public Library on Olive Street, one mile from the Edward Jones Dome. Please see the map on the second page of this info packet!

Practice field hours will be as follows:

Monday, April 21, 2014: 3pm to 6:30pm

Tuesday, April 22, 2014: 3pm to 7:00 pm

The fields will be staffed by local FTC host teams and there will be robots for you to scrimmage with! We will also have tools available for you to use. There will be cookies, too.

We will be on the lower level in the Children's Library "chapter book room." See the photos below.

Be sure to load-in on the "back" side of the building, on Locust street. The Olive street entrance is the main entrance, but it has many stairs.

There is free parking in a lot that is on the corner of 15th and Olive Street. Please see the map on the second page of this info packet for parking location.

This is the Locust Street entrance of the Library.

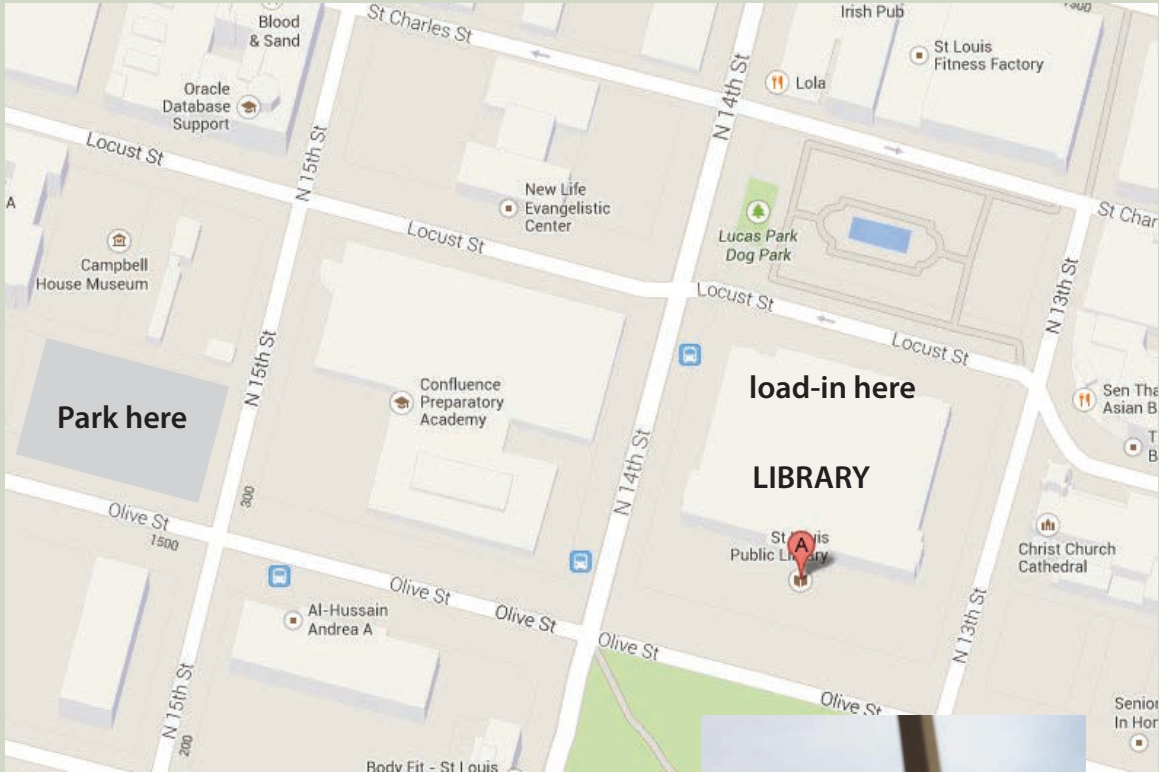

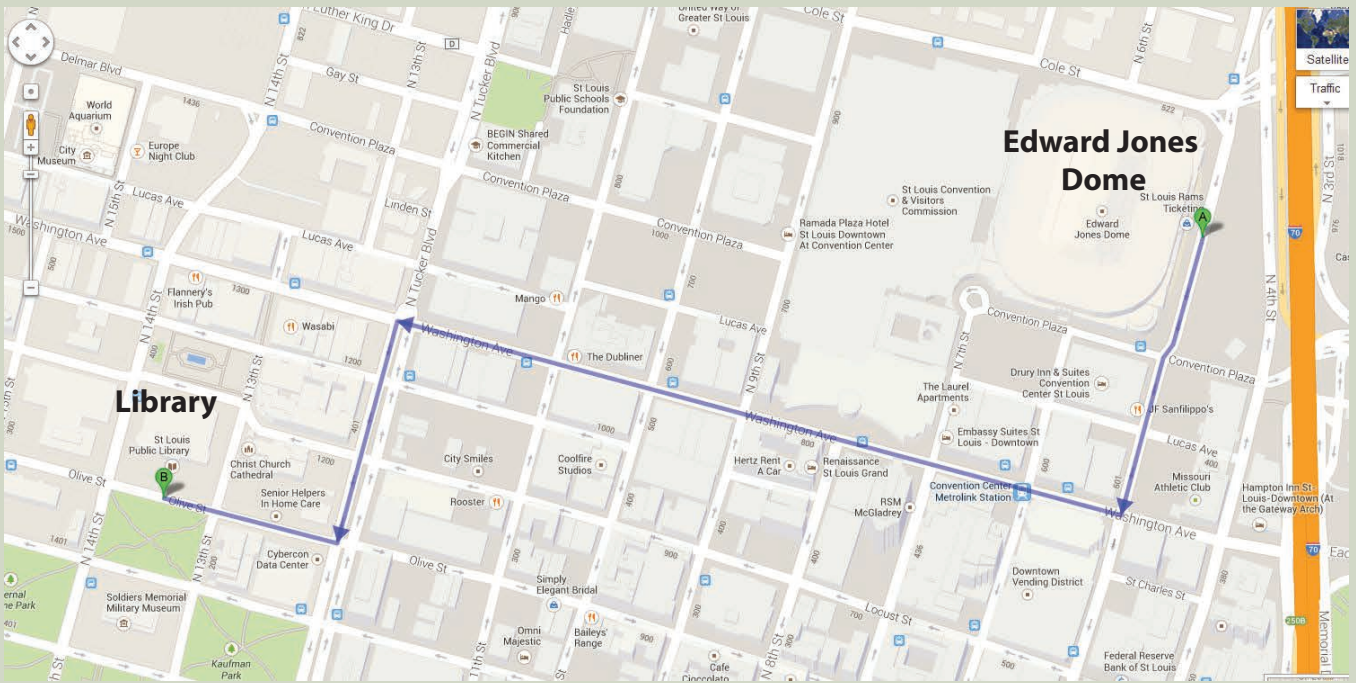

We will be on the lowest level in the Children's Library area.

This is the room we'll be in. (It will have a field there instead of tables.)

Call Kim's cell if you need help finding us or if you have any questions!
